# CONNECT 2021

## BEYOND CLASSROOM Message by principal

**“I strove with none; for none was worth my strife. – Walter Savage Landor”**

True are the words of Walter Savage Landor, for every time we participate in a competition, it isn't to defeat others but to strive with one's own self in order to shape the character sharper, stronger and more experienced. With the similar sentiments and objective, I would like to extend to you the invitation to Connect 2021- a digital platform for diverse and constructive engagement

The pandemic of COVID 19 caught us unaware and the entire world came to a standstill. However the schools have risen to the occasion and continue to provide a completely fulfilling digital experience for the young & dynamic minds. Connect - 2021 is our online event that enable students to apply a host of skills like critical thinking, observation, creativity and communication and conjure magic with their mettle. All events in the Connect – 2021 have been designed to stimulate the interest of children, make learning a fun activity and thus, ensuring their holistic well being.

There is a special emphasis on our part to integrate digital skills and celebrated arts (both visual and performing) with multiple disciplines into an array of Competitions. The synchronous structure of events will give the students a common platform to showcase their covert talents by thinking divergently and acting creatively.

Looking forward to an active participation from your students and thanking you for your support as always.
