SPECIAL INITIATIVES

Innovative Pedagogical approach is being implemented by our teachers encouraging students to be proactive to research, explore and use multiple strategies to come out with novel ideas and strategies to uncover something new.

Music Art integration

Students of class III were engaged in an exercise that combined studying Hindi lesson with music. The music teacher composed a song on the lesson, making it enthusiastic for the students to learn.

Dance Art integration

In dance, rhythm plays a crucial role. Just as the answer to the question in a mathematical problem renders the entire problem incorrect, so does dance, if the rhythm is even slightly off. Children who are skilled in arithmetic are also good dancers and have a good sense of rhythm. How much space should be left between two dancers, how long to wait between steps, and how to stand in relation to the music. We can comprehend dancing in the context of mathematics through all of these factors.

SHIN Program

Our school has introduced Shin Program, A Japanese-style Experiential Holistic Learning Program in our school for the students of classes I to V.

We have received the activity kits and training to use the same had been convened on 1 July 2023 for the teachers teaching classes I to V. Through this training course, the teachers learned how to use the programme in the classroom and get a practical understanding of how to utilize this program in the classrooms.

Maths Kit Workshop for class III Introduce by "Wise Time Maths Solution"

Students' interest in mathematics grows with the aid of Maths kits. This package explains activity-based mathematics concepts while simultaneously saving time. This kit assists teachers in preparing lesson plans by explaining chapters using the resources provided in the math kit. Students can also complete tasks with the resources provided.

Following academic oriented exams were conducted for the students, during the period under report:

Varsha Meena of class IX was placed at the third position and our school was placed at the second position in the भारतीय संस्कृति ज्ञान परीक्षा organised by गायत्री तीर्थ शांतिकुंज हरिद्वार. It was a State level competition.
